Message from Councilmember Ron Menor

One of the most rewarding aspects of my job is being involved and engaged in my Council district and the Oahu community as a whole. In addition to attending to my legislative duties, I spend a great deal of time at various events in the community and I enjoy the time that I am able to spend interacting with community members and their 'ohana. In this report, I wanted to update you on several important City and community events that I have recently attended.

As always, thank you for the opportunity to serve as your City Councilmember. For more details about my activities as your councilmember, please log on to: [facebook.com/CouncilmemberRonMenor](https://www.facebook.com/CouncilmemberRonMenor). If you are ever in need of assistance, you may contact me at any time at 768-5009 or via email at: rmenor@honolulu.gov. Mahalo!

UPDATE ON COMMUNITY CONCERNS

Asing Community Park

Councilmember Menor submitted a Request for Investigation and Service Report on behalf of an Ewa Beach parent whose child's team practices on the field. The parent reported that the field's grass is completely dead and the team raises a large amount of dirt and dust during practices.

The City Parks Department has responded and indicated that their irrigation crews are already in the process of completing repairs to the system at Asing Community Park. Moreover, the grounds crew will also be backfilling any depressions that have been created on the field.

Councilmember Menor will continue to monitor the park to ensure that the needed repairs are completed.

Proposed Bus Stop Removal

The City Department of Transportation Services (DTS) is considering the removal of seven bus stops (#s 1810, 1812, 1814, 1849, 1851, 1853, and 1854) on Old Fort Weaver Road that have exhibited extremely low ridership.
