A message from your Councilmember

Augie Tulba

As the summer draws closer, my office has participated in a number of school activities, such as virtual graduations, school rallies, and award ceremonies recognizing outstanding students in District 9. Congratulations to all students, teachers, and parents who made it through a tough school year!

My message to students, no matter their age, is:

**KEEP TRYING, NEVER GIVE UP,
KEEP LEARNING, AND BE THE
BEST YOU THAT YOU CAN BE.**

This is also the designated month to recognize our first responders. Thank you to EMS, the Honolulu Police Department, and Honolulu Firefighters for protecting our people and our communities.

I support the good men and women in blue!

UH Men's Volleyball Coach Charlie Wade and the NCAA National Championship Trophy

Finally, I want to give a big congratulations to our UH Rainbow Warriors Men's Volleyball team for their victory and bringing home the first NCAA title in program history! It brings encouragement and hope to our local community during these challenging times.

If you have ideas to improve our community or know of events/activities that our office can be a part of, please email me at atulba@honolulu.gov.

Mahalo,

Augie Tulba
Your Honolulu City District 9 Councilmember

LEGISLATIVE REPORT

Councilmember Tulba is Chair of the Committee for Parks and Community Service, Vice Chair of Public Safety, and a voting member on the Committees on Housing and Economy; Executive Matters and Legal Affairs; and Transportation, Sustainability and Health. Here are some issues that he and his staff are tackling on the legislative side:

Resolution 21-102 (2021)

Approves the Ala Moana Neighborhood Transit-Oriented Development (TOD) Plan.

Resolution 21-77 (2021)

Requests that the City Administration develop a stream maintenance schedule for City-owned streams and non-stream drainage infrastructure.

Resolution 21-103 (2021)

Requests the City Administration to evaluate for compliance with Act 73, Session Laws of Hawaii 2020, the eleven sites previously identified by City studies as potential replacements for the Waimanalo Gulch Sanitary Landfill and additional potential Waimanalo Gulch Sanitary Landfill replacement sites, including lands held by the State Department of Hawaiian Home Lands in Kalaeloa and other former federal lands that were not previously evaluated, as appropriate.

Resolution 21-102 (2021)

Urges the City Administration to assess the City's capability to implement a construction and demolition debris recycling program and estimate the amount of revenue that may be generated annually by the sale of recycled construction and demolition debris.

Bill 18 (2021)

Requires notice on certain roadways near the entrance of hiking trails warning that parking is prohibited in front of a public or private driveway or within four feet of either side of a public or private driveway.

Bill 87 (2020), CD1

Proposes a fare increase for all paratransit riders from \$2.00 to \$2.25.

ISSUES ARISING IN DISTRICT 9

Aaron Ho
District 9 Community Liaison

Aaron Ho, our office's Community Liaison, is touring District 9 with Councilmember Tulba to learn about community concerns related to city operations, property and crime. Here are some of the issues in District 9 that he is working on:

Kuhina Street Improvements

Area residents have contacted Honolulu City Councilmember Augie Tulba's office expressing concern about drivers speeding on Kuhina Street. They requested that the Department of Transportation Services install speed mitigations along Kuhina Street. To get this accomplished, the City must receive a petition indicating that a significant majority of property owners on Kuhina Street - 90% or more - are in favor.

If you live along Kuhina Street and support installing speed cushions, please fill out the petition at www.augietulbahnl.com/kuhinaspeedcushions.

Roadside Maintenance on Keahumoa Parkway

Keahumoa Parkway in Ewa Beach needs landscaping and other maintenance. According to a resident, this well-used thoroughfare is rarely maintained and the grass is encroaching on sidewalks. At 'Elepu'u Street, the grass completely obscures a bus stop bench. At the intersection of Keahumoa Parkway and Lakona Street, a large utility cover panel is broken and laying in the middle of the sidewalk posing a potential hazard for pedestrians. Our office is in touch with the City's Department of Facility Maintenance and awaiting a response.

Roadway issues at Nanaulu Street in Ewa Beach

There is a square-shaped area behind a barrier on Nanaulu Street that appears to be sinking, according to an area resident. There also are a number of abandoned trucks, which our office reported to the City Administration and the Department of Facility Maintenance for further action. In addition, there are a number of illegally parked vehicles along the already-built stretch of Nanaulu Street, which have expired registrations or safety check tabs. Our office has reached out to the Honolulu Police Department to increase enforcement.

Street light issues on Nanaulu Street in Ewa Beach

There is a flickering street light on Nanaulu Street in Ewa Beach that turns on and off at odd intervals. Our office has reached out to the City Administration to look into the issue.

If you know of any issue in your community that is related to the city, feel free to call 3-1-1 or email atulba@honolulu.gov

CELEBRATING OUR COMMUNITY

Remembering Law Enforcement Officers who have made the Ultimate Sacrifice

Honolulu Hale will be lit in the color blue through Saturday, May 15 for “Light Hawaii Blue” week, in honor of law enforcement who have been killed on the job. The community can show solidarity by with the Light Hawaii Blue campaign by wearing blue, lighting blue, and sharing blue with your photos on social media and tagging #LightHawaiiBlue.”

A big Mahalo to Hui o Ho`ohonua

City Parks Director Laura Thielen spent time with Councilmember Augie Tulba and his staff at Kapapahu Point Park in Ewa on Saturday, May 8, to see firsthand what community volunteers have done to clean up and beautify the park. Students from Waipahu High School and Campbell High School who have been volunteering were also on site to meet with our office. Hui o Ho`ohonua is a non-profit organization founded by people living in the `Ewa community who want to restore water quality, fish ponds, and lands at the `Ewa Moku on `Oahu. The 39-acre park has important cultural sites as well as a network of fishponds that feed into Pearl Harbor, which have suffered from years of environmental neglect, illegal dumping and pollution.

Congratulations to Holomua Elementary Students in Ewa Beach

Honolulu City Council Member Augie Tulba will formally congratulate four students at Holomua Elementary in Ewa Beach on Monday. They are part of the school's robotics team, which won The CORE Values Award in the 2021 State First Lego League. According to organizers, The Core Values Award “goes to the team that displays extraordinary enthusiasm and spirit, knows they can accomplish more together than they can as individuals, and show each other, and other teams, respect at all times.” The event was sponsored by HEI.

Nominate a Community Star

The Community Star Award is a new way that Councilmember Tulba can recognize constituents who go above and beyond the call to improve their community and the lives of others. If you know of a community star, please nominate them by emailing atulba@honolulu.gov. There is no age limit.

OPPORTUNITIES TO BOOST BUSINESS

Focus on Women in Business

May 19 from 10 to 11 am

COVID-19 has presented a difficult challenge for women in the workforce. Learn from an all-star panel of women -- Jalene Kanani, owner of NOHO Homes, Marie Kumabe, principal of Kumabe HR, and Tanna Dang, owner of Eden in Love -- as they share their advice, insights, and challenges. Moderated by Jo McGarry, who will provide a lively discussion on the: Stories through their journeys to where they are now; Challenges and opportunities that each business faced from the pandemic; How to stay resilient as a leader with insurmountable pressure. The event is sponsored by Central Pacific Bank.

Emergency Broadband Benefit

<https://getemergencybroadband.org/>

You or your employees may be eligible for the Emergency Broadband Benefit that helps qualified people pay for residential internet service or a computer. Eligible households can receive up to \$50 a month to pay for broadband service. Those on Hawaiian Home Lands can apply for an enhanced benefit of up to \$75 per month. Qualifying households may also receive a one-time discount of up to \$100 toward the purchase of a laptop, desktop computer or tablet if the household contributes a minimum of \$10 to the purchase price. The program will be available to about 200,000 qualifying households. Hawaiian Telcom and Spectrum also offer programs with low-cost or discounted internet to eligible households.

Help for Hawaii's Restaurants and Other Food Establishments

[SBA restaurant revitalization-fund website](#)

The American Rescue Plan is providing \$29 billion nationwide for a new Small Business Administration (SBA) grant program specifically for restaurants and other food and drinking establishments impacted by the pandemic. Log onto SBA's website for more information.

Help for Small Business Owners

backonthewave@honolulu.gov

Supporting local businesses is vital to O'ahu's recovery. The Business and Constituent Educator team works one-on-one with local businesses to connect them with government and private sector resources and help companies build a path to success. Contact 768-CITY (2489) or backonthewave@honolulu.gov to schedule a conversation at a time that works for you. The team is available Monday to Friday from 8 a.m. to 4:30 p.m.

Expedited Driver's License Renewal

<http://www.honolulu.gov/csd>

Oahu residents who need to renew driver's licenses and state identification cards over the next eight months stand to benefit from new service options being rolled out in the City and County of Honolulu. Stand-by service for customers, who are having a hard time getting appointments to renew a driver's license or state ID, is now available on a limited, first-come, first-served basis at the Kapalama Driver Licensing Center, Kapolei Driver Licensing Center and Koolau Driver Licensing Center. There are now more than 58,000 driver's licenses, learner's permits and state IDs that expired in 2020 on Oahu and have not yet been renewed. An additional 115,110 credentials will expire in 2021, and require renewal transactions in person.

[Bill 13 \(2021\) HART Capital Budget for FY 2022](#)

Why Budget?

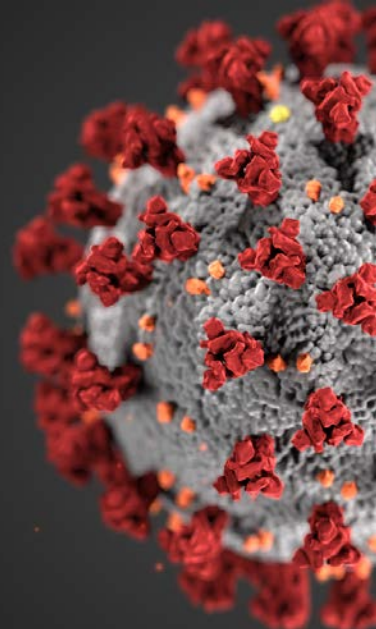

Budgeting is a key public policy-making process. Because the City's financial resources are limited, the budget becomes a means for public policymakers to choose between competing requests.

In answering the question, "Who gets what?" the Council establishes the goals of City government and, consequently, prescribes the values and priorities of the City.
